

August 2019

Dear Princeton Alumni(ae), Parents, and Friends:

The Membership Committee of the Princeton Club of Chicago is truly delighted to welcome you to our Club's 2019 to 2020 year and to an exciting slate of upcoming events at which we would look forward to seeing you.

Please visit our Club's website, [www.princetonclubofchicago.org](http://www.princetonclubofchicago.org), for upcoming events such as the Precept & Dinner on September 9<sup>th</sup> with Lorraine '75 and Randy Barba '75 who will share the history and culture influencing the central and northern Silk Road countries they experienced on a recent trip, and our Princeton Night at Wrigley Field on September 18<sup>th</sup> where you can cheer on the Cubs as they take on the Cincinnati Reds alongside fellow Princetonians, friends, and family. If you scroll through the events our Club hosted in the prior year, you will find exciting and very current event topics, including the 50<sup>th</sup> Anniversary Celebration of Undergraduate Coeducation at Princeton, a weekend of events featuring lunch, speakers, and interesting stories from a series of esteemed Princeton alumni discussing the history of coeducation at Princeton, and the preview of *Birthday Candles* by Noah Haide '01 and directed by Vivienne Benesch at the Goodman Theatre. Also of note, our Annual Dinner, an event during which we honor and celebrate with members of our Princeton and Chicagoland community, featured former ESPN sportswriter and legal analyst, Lester Munson '62, in conversation with Mary Newburn '97. You are sure to find any number of events which are guaranteed to interest you.

We are proud that our Club supports nearly 3,000 people with a Princeton affiliation in the Chicagoland area offering multiple opportunities to connect with others, stimulate lifetime learning and give back to the broader community. We have many worthy volunteer activities in which you may wish to become involved such as the Alumni Schools Committee through which we assist the University with the applicant interviewing process. Other efforts include the Club's work with Chicago Scholars by mentoring academically ambitious students from under-resourced communities to attend and complete college. Equally important are other community service and charitable projects our Club undertakes such as scholarships for Chicago Public School students, summer intern support for current Princeton students and our endowed scholarship program for current Princetonians. There are plenty of opportunities to become involved. You may be aware that no Princeton Club is supported by the University itself. We rely almost entirely on your membership dues to fund our programming and philanthropic activities. Over half of our Club's financial support is due to the generosity of Benefactors and Patrons. If you would like to provide additional support through such membership categories, please consider these opportunities. It is only through your membership in the Princeton Club that we are able to accomplish such great things.

Membership in the Princeton Club of Chicago will afford you priority access to sign up for various events, a priority which is of importance as many sell out quickly, as well as member discounts. Regular membership is only \$50.00 for the year. Membership for recent graduates (Classes of '14 to '18), parents of current and former Princeton students, those never before a Club member and those living outside the greater Chicago area is only \$25.00 for the year. For the Class of '19, membership is free. We want everyone included. For your convenience, enclosed is a hard-paper copy of the Membership Form. You may also access membership options via our website – simply select the “Membership” tab on the Club's homepage to join or renew your membership.

We look forward to seeing you at one, and hopefully more than one, of our events. This is going to be a great year and we truly hope that you take this opportunity to join the Club. If you have not noticed, we all believe that the Princeton Club of Chicago is of great value to its members and well worth the nominal investment. Join us. We would be delighted to welcome you as a new, renewing or returning member. We all very much appreciate your support and involvement.
